

1. No application will be accepted until it is complete, including a prequalification from the State of Michigan for a marijuana facility.
2. There is a \$1000 non-refundable deposit collected when the application is submitted. \$4000 is due for the license after the applications are approved by both the State and the Township.
3. The application process includes a site visit from a board member, followed by a vote by the entire Township board. There will be a 30-60 day turnaround.
4. All applications will be processed on a first come, first serve basis.
